

Letter of Introduction:

Please write me a letter introducing you to me.

I would like to know about:

- your family,
- favorite type of music, movies, TV shows, social media and books
- after-school activities, and
- your personal goals for the future.
- What are you most excited about for the upcoming year?

Then discuss your experience with English class from previous years.

- Do you enjoy reading and writing?
- What kind of books do you like to read? Why?
- What kind of writing is your favorite? Why?
- Even if you don't enjoy reading and writing, what is the importance of English class to your future?
- Finally, think about the way you learn best.
- What kind of activities do you enjoy?

If there is any other information you would like to include, please do so. This is not a formal essay; however, it should be written in paragraph form with complete sentences with an effort towards correct spelling and punctuation.
